Dear Members of the Immaculate Conception Parish,

MOVEMENT CONTROL ORDER (13 TO 26 JANUARY 2021)

In accordance with the announcement of the Prime Minister of Malaysia on 11 January 2021 and the subsequent directive from the Bishop of Melaka Johor dated 12 January 2021, **all Masses and gatherings in our parish are suspended until further notice.**

Throughout this duration of the MCO, the parish office will continue being open, which means that office personnel will be present to answer telephone calls. However, physical visits to the office by parishioners are not allowed. All important communication should take place either through the telephone or by email.

We are, of course, uncertain whether the MCO will be extended at the end of this stipulated duration. Therefore, kindly take this letter as the standing instruction until new instructions are issued at the appropriate time.

I ask all of you to pray daily that the Lord will heal our land from this great calamity. Likewise, you and your families remain in the prayers of the clergy of our parish.

“All for God alone!”

Yours faithfully,

REV. FR EDWARD RAYAPPAN
Parish Priest, CIC JB
